### Access for disabled visitors

A mini field trail from the car park, along the stream and into the garden is accessible to wheelchair users.

*Day visitors:* the Granary provides a fully accessible workspace for people in wheelchairs. There are two wheelchair accessible WCs on site: one in the Middle Yard and one at the entrance to the Old Stable Courtyard. The Loft is not wheelchair accessible. Access for wheelchair users to the Large Barn is available from the road entrance, where there is a dropping off and parking space. The car park and driveway have level, gravelled surfaces.

*Residential visitors:* the Old Stable is reached by a paved path from the drive and has a ramp on entry. It has three ground floor bedrooms and one bathroom which are level with the sitting and dining rooms and kitchen. We regret that Bore Place House is not wheelchair accessible.

*Please contact us if you would like further details of accessibility.*
